

ABDUL MATEEN HASHMI

Pakistan, AJK | 03119756139 | a.mateen2025@gmail.com

Software Engineer with over almost 3 years of professional experience in developing, maintaining, and supporting web applications. Proficient in PHP, Laravel, CodeIgniter, MySQL, RESTful APIs, Git, Docker, and Next.js, with hands-on experience troubleshooting application issues, debugging backend services, writing SQL queries, resolving production incidents, and supporting deployments. Skilled in writing clean, maintainable, and efficient code, optimizing application performance, and collaborating with cross-functional teams to deliver reliable, high-quality software solutions. Strong analytical, problem-solving, and communication skills with a commitment to continuous learning and delivering business-focused results.

EXPERIENCE

January 2024- June 2026

WEB DEVELOPER | SK FINANCIAL - REMOTE

Developed and maintained PHP-based web applications using Laravel, Next.js, and MySQL by implementing new features, troubleshooting and debugging application issues, optimizing performance, and writing clean, maintainable code. Collaborated with cross-functional teams to deliver reliable software solutions, integrated Stripe payment functionality, supported production deployments, and maintained technical documentation following software development best practices.

APRIL 2023- OCTOBER-2023

JUNIOR WEB DEVELOPER | NORTH STAR MULTINATIONAL COMPANY - REMOTE

Maintained PHP applications, fixed bugs, worked with SQL, integrated APIs, participated in testing and deployments.
